“ Marjorie and family, I deeply sorry that we can't be there with you in your time of great sorrow as you were for me. I know how devastated you must me, since you and your Mother were very close. We are sending flowers and hope they are as beautiful as they look. I just had to sneak some yellow roses in there since they were always a favorite of Jimmy's and mine. God Bless and keep you, I know only to well what you are going thru, just remember she is an angel now, and in God's Heaven. No more pain, only joy and happiness. We love you very much.
