“ Beni will forever be remembered as a most loving, always giving and kind hearted person. She was professional and dedicated to her residents. I will miss her wit and her smile. She adored her husband, Joe and their son, Justin and spoke of her love for them often. She was so proud of her family and loved to talk about her WVA home. Beni was honest and true. I will miss working with her. I will miss our carpooling conversations. I will think of her every time I eat cherry pie, drink lemonade and watch Two and A Half Men. I will miss her friendship the most! She was an angel on earth. My overwhelming heartfelt sadness goes out to all who knew her and mourn her loss. She made a lasting impression on so many people. It is truly a blessing to have known Beni. I thank God for allowing me to be here at the same time with her and to have been touched by her friendship. Until we meet again my friend, Carla.
