“ *I miss you so much daddy. I wish I could see you one more time come walking through the door But I know that is impossible I will hear your voice no more. I know you can feel my tears and you don't want me to cry Yet my heart is broken because I can't understand why someone so precious had to die. I pray that I can find the strength and somehow get through As I struggle with this heartache that came when I lost you.*
