“ *Debbie, I'm so very sorry for your loss. I know it has been years, but I often have fond memories of you and your family and when we lived in Medina. A couple of weeks ago I was just remembering the time when we snuck out early for school and wore knee shorts and got sent home! My thoughts and prayers are with all of you. May God Bless you and ease your hearts in this sorrowful time.*

“ *I have been remembering the time as teenagers she, Judy and I along with many other of the church's teenagers went to Camp Whitney, a church camp. We all had a very good time away from parents but still in a church oriented event. Good memories of times shared with our cousin and friend, Imogene.*
