“ I feel a warmth around me like your presence is so near, And I close my eyes to visualize your face when you were here, I endure the times we spent together and they are locked inside my heart, For as long as I have those memories we will never be apart, Even though we cannot speak no more my voice is always there, Because every night before I sleep I have you in my prayer. “ Mom You've been the greatest mother to me Teaching me many things that others never see And so I write to you this very day That The Lord may bless you in every way Through the years of heartbreak and toil You've always been there for this boy who you spoil And now I'm a man whom you trained in the past Though sometimes I may tell you to 'just kiss my ass' Anyway I just wanted to say Thank you my mother for starting me on His Way For without your teaching I'd be lost today But because of you and God by my side Maybe I will find the bravery inside The strength to withstand every personal attack That mine enemies throw at me and I might just lack And so to you the 'world's best Mom' I'll remember you always as I drop this bomb!!! Thank you, I love you Mom Love, Your first born son Dale
