“ I worked with Zane for many years in the late 70's and early 80's while I was at the District 7 DOH Office. He had a great sense of humor and was always fun to be around. All at the DOH will also remember how he loved to play the guitar and sing at our Christmas parties and Maintenance Conferences. I'm sorry to hear of his passing and my thoughts and prayers go out to his family even though I never knew them. May God rest his soul.

“ I worked at Webster County DOH Garage for several years and got to know Zane thru our work. I have to say Zane was a delight to work with, he just had a way about him and one could not help but like him. I wish his family my deepest sympathy.

“ To each of Zanes Family my deepest sympathy. I graduated from high school with Zane and often saw him when I would be in town. He was always so friendly.
