“ *God has a new angel beside Him. We'll be reunited with Tina some day where she'll greet us in her new Heavenly body, one that will enable her to run and do all the things that she could not do on earth. I have always believed that He gave us the gift of Tina to teach us to appreciate family, life, and unconditional love. I love all of you and wish so badly that I could be there for you.Love, Lisa*
