“ Loretta was the best mother-in-law/friend that a woman could ask for. I always considered her "my second mom." I will miss her dearly & hold her in my heart forever until we can be together again in heaven.

“ I just can't imagine her not being here. I didn't get to come and visit her as much as I would have liked but at least if I got the chance to she was there. She was one amazing lady. She was always so kind, funny and loving to all around her. I miss the days that I spent at her house and the good meals and her fabulous hugs and amazing smile that could light up any room. She was very blessed with an amazing family that loves her very much. I know I will see her again one day in heaven. I owe Loretta alot of thanks for making my life a better one just because she was in it. She will be sadly missed.
