“ Myrt will be missed by so many. She was always there for me when I was going through some pretty rough stuff. No matter what she was going through, she was always there for a friend. My kids just LOVED myrt. My heart is so sadden being so far away and not able to tell her goodbye and how much she is loved.

“ I have spent the last year caring for Myrt. She was one of those people you awe at. From her looks you wouldnt belive that she was one of the most knowedgable persons I have ever known. I am so glad that I have gotten to know this unbeliveable person. Debby and family, I am so sorry for your lost. I know that it is hard. But your momma was loved by many. I am already missing our morning talks. She would tell me of life back in the day when she was growning up. She made the best with what she had and she was a survior, and a fighter. Thank you God, for allowing me to be part of her life and now you can allow her to rest. She is surely going to be missed. I love you Myrtle Smith.

“ *The most knowledgable woman I know is gone, but not forgotten! Honey all your pains, cares & worries are gone, it's time to rest now. You were a very special woman to know. Debbie & family I am sorry for the loss of your mother. She was truely unique & loved. She would help you with anything she could, a very generous, yet a strong independant woman. She taught me so many things, I am gratefull to have known her. She didnt have much, but what she did have, you can't get in a store or buy with money! She loved all her children & grandchildren, spoke of you all often. She is truely in a better place & at peace. She was toughest woman I knew. To all that knew her, knew how she collected things, including friends. Who am I going to call now, to see when the last snowfall should be, or tell me any old wise tales she filled my days with while being her personal care provider. Goodbye ole friend I will never forget you! You'll always be in my thoughts and heart. I will miss you! I LOVE YOU.*
