“ *To the palmer family: I truly feel blessed to have worked for Sammy for 10 years-plus. I never considered my time with Sammy a job cause we always had so much fun. Every day was an adventure when we were together. lol Sammy was able to make me see life in a totally different way because of his blindness. Sammy made everyone around him laugh and a friend to so many in the Apt. building. Sammy and I had a bond that so few are able to have. May each of you find comfort as I have in knowing that Sammy knew the Lord and was saved. At this moment he is in Heaven SEEING all that the Lord has promised us. Thank You Sammy for the great years of working with you and being a very special part of my life. Hopefully one day we will meet again. I LOVE YOU my Friend.*
